

Syllabus

2024 Summer School

Course Title	BASIC KOREAN		
Instructor			
Class Room	TBA	Credits	2
E-mail		Class Type	Track A

Course Description

Korean class for beginners who haven't studied Korean or who just began to study.

Course Objectives

1. Learn how to read and write Hangul (Korean Alphabet).
2. Learn basic conversations.

Text Books

Korean Language, International Center, Inha University

Other Texts and References

You don't need to prepare any other references. If some other references are needed, they will be provided in the class.

Class Structure

Lecture and Practice

Notes

Korean language is not easy. It is difficult especially for Chinese or Indo-European language Speakers because the word order is different. And its complicated honorific system makes it more difficult. But Korean has the easiest Letter in the world. So I hope you can learn how to read and write Hangul as well as a few basic Korean expressions. And I hope you fully enjoy this course in Korea.

Grading

Attendance	Quiz	Discussion	Assignments	Total
10%	30%	20%	50%	100%
