## Course Description

This course is designed to encourage students to improve their conversation skills. The textbook is designed with an emphasis on speaking ability. But other skills such as listening, reading and writing will be taken into consideration. Students are expected to participate in practicing their conversation.

## Course Objectives

Although the central focus of this course of Inha Summer School is on interactive speaking ability, this course has been developed to improve a balance of four skills : listening, speaking, reading and writing. The proper use of verbs and adjectives is very important when you learn Korean in advanced level. So the emphasis will be given on the various endings of verbs and adjectives. For the advanced Korean language learners, it is definitely necessary to understand the delicate shades of meaning of the various endings.
