Course Description

This course is designed to encourage students to improve their conversation skills. The textbook is designed with an emphasis on speaking ability. Each chapter begins with a dialogue describing daily lives. Students are expected to participate in practicing their conversation and create their own dialogue according to a given situation and explanation of the flow of the dialogue and vocabulary. But other skills such as listening, reading and writing will be taken into consideration.

Course Objectives

Although the central focus of this course of Inha Summer School is on interactive speaking ability, this course has been developed to improve a balance of four skills: listening, speaking, reading and writing.
